Bombardier BD-700 series (RRD BR700-710) Aircraft

B1 Theoretical Maintenance

This EASA B1 Theoretical maintenance training course meets all current EASA approval requirements for the Bombardier BD-700 series (RRD BR700-710) aircraft type. The course covers all applicable ATA chapters to address aircraft systems' theory, operation, inspection, and servicing.

The theoretical course employs an interactive approach with instruction to the student. Upon successful completion, this class will certify aviation technicians for work on Bombardier BD-700 series (RRD BR700-710) type aircraft.
