Falcon 2000EX EASy (PWC PW308C) Aircraft

B1 Practical Maintenance

The Practical maintenance training course is fully compliant with EASA Part 66, appendix III requirements for the Falcon 2000EX EASy (PWC PW308C) aircraft type. This course covers a broad cross section of task types and complexity levels.

Technicians will receive a wealth of practical knowledge to obtain clarity and detail during the various component and system testing, locating, removal, installation and troubleshooting sessions. Upon successful completion, this class will certify aviation technicians for work on Falcon 2000EX EASy (PWC PW308C) type aircraft.
