

PROFESSIONAL DEVELOPMENT

AVIATION INTERPERSONAL MANAGEMENT (AIM)

Professional Development

This is the definitive business aviation industry standard in preparing leaders for success. Aviation professionals require skills and knowledge in personnel and asset management, finance, legal issues, communication, and many other business responsibilities. Our Aviation Interpersonal Management (AIM) course will provide all the knowledge and techniques necessary to become an excellent aviation leader and manager. It is an essential course for the entire flight operations team and other career-minded aviation personnel.
