Citation 750 Aircraft

Generalization/Familiarization Maintenance

FAA IA Approval Code:

C-IND-IM-151104-K-006-001

This 5-day maintenance course will help technicians understand the aircraft systems, servicing, and practical know-how needed to maintain the aircraft properly. This course is for the technician that has similar aircraft experience as well as the manager or scheduler who wants a better understanding of the aircraft. If the aircraft is available, actual hands-on practices will be conducted to ensure a complete understanding of aircraft systems and 'real-world' maintenance practices.

The Citation 750 class offers an excellent way to expand technician productivity.
