

FALCON

**Course Length
5 Days (40 Hours)**

Falcon 50 Aircraft

Electrical Interface Maintenance

FAA IA Approval Code:

C-IND-IM-160202-K-006-001

Other GLOBALJET courses available for your Falcon 50:

FAA Accepted

Falcon 50 Gen-Fam

Falcon 50 Initial

Falcon 50 Line

Falcon 50 Refresher

This course is a combination of refresher, in-depth troubleshooting practices, and tracing of wiring diagrams. GLOBALJET Services employs a “white glove” approach where the majority of investigative work can be conducted without using tools. Troubleshooting is performed from the cockpit level using indication messages, support documentation, and wiring diagrams.

This is an intensive session with active classroom participation and considered an essential course for all proactive technicians familiar with the Falcon 50.
