

# BEECHCRAFT

**Factory Authorized Training Provider**

## King Air 300/350 Aircraft

### Line Maintenance

**Course Length  
5 Days (40 Hours)**

FAA IA Approval Code:

C-IND-IM-130607-K-006-144

The line maintenance course is a condensed, 5-day session. It enables technicians to understand aircraft systems and servicing with an emphasis on practical experience to build aircraft maintenance skills.

Moderate troubleshooting is stressed and reinforced with hands-on sessions on available aircraft. Active student participation provides a better understanding of aircraft systems, leading to effective and efficient maintenance practices.

For operations with technician scheduling and cost limitations, this King Air 300/350 class creates a highly productive solution.
