2007-04-7263

**Transport
Canada**

Other GLOBALJET courses available for
your CL 601 Series with GE CF-34
engines:

TC Approved:

*Challenger 601 to 604/605/650 with CF-34
engines Maintenance Differences Course*

This initial-level maintenance training course covers all applicable ATA chapters, addressing aircraft systems' theory, operation, inspection, servicing, and troubleshooting. Using an interactive approach of instruction, hands-on sessions will be conducted to enhance and expand on classroom training. The course examines LRU troubleshooting from a theoretical and functional perspective.

This comprehensive CL 601 Series Initial Maintenance Course with GE CF-34 engines course is the ideal way to have technicians productively respond to transitions within the fleet.
